Provider Guide for Adding

I-Billing to MiLogin Account

Provider Guide for Adding I-Billing to MiLogin Account & Associating a Provider ID

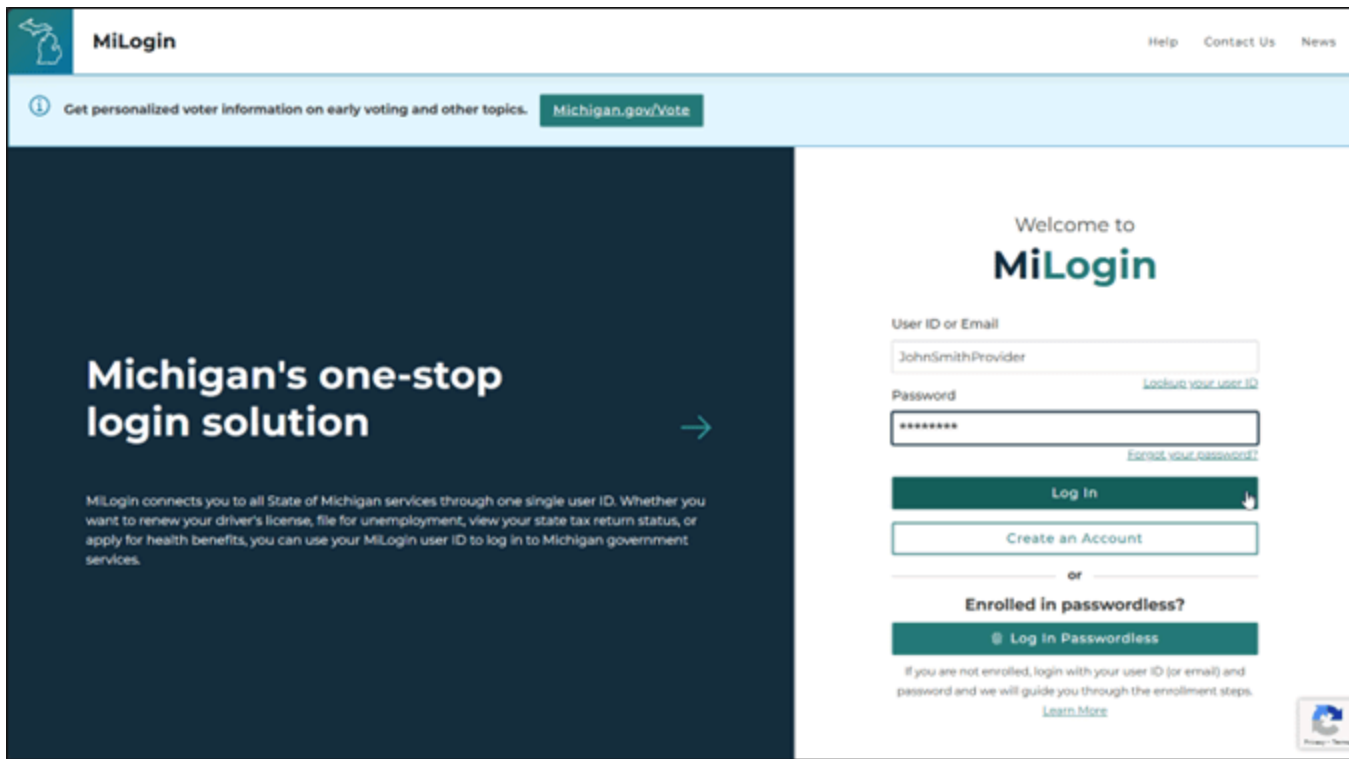

This guide is for child care providers participating in the State of Michigan's Child Development and Care (CDC) Scholarship program who need to add I-Billing to their MiLogin account. MiLogin is the State of Michigan's one-stop login portal to access state system individuals use day-to-day. With just eight (8) short steps, you can add I-Billing to your MiLogin account for seamless access to bill for the child care services you provide.

Adding I-Billing to Your MiLogin Account

1. Log into you MiLogin for Citizens account by entering your MiLogin user ID and password, and click, *Login*.

2. Next, you will be taken to your MiLogin welcome homepage. Under *Discover Online Services* towards the right, click on, *Find Services*.

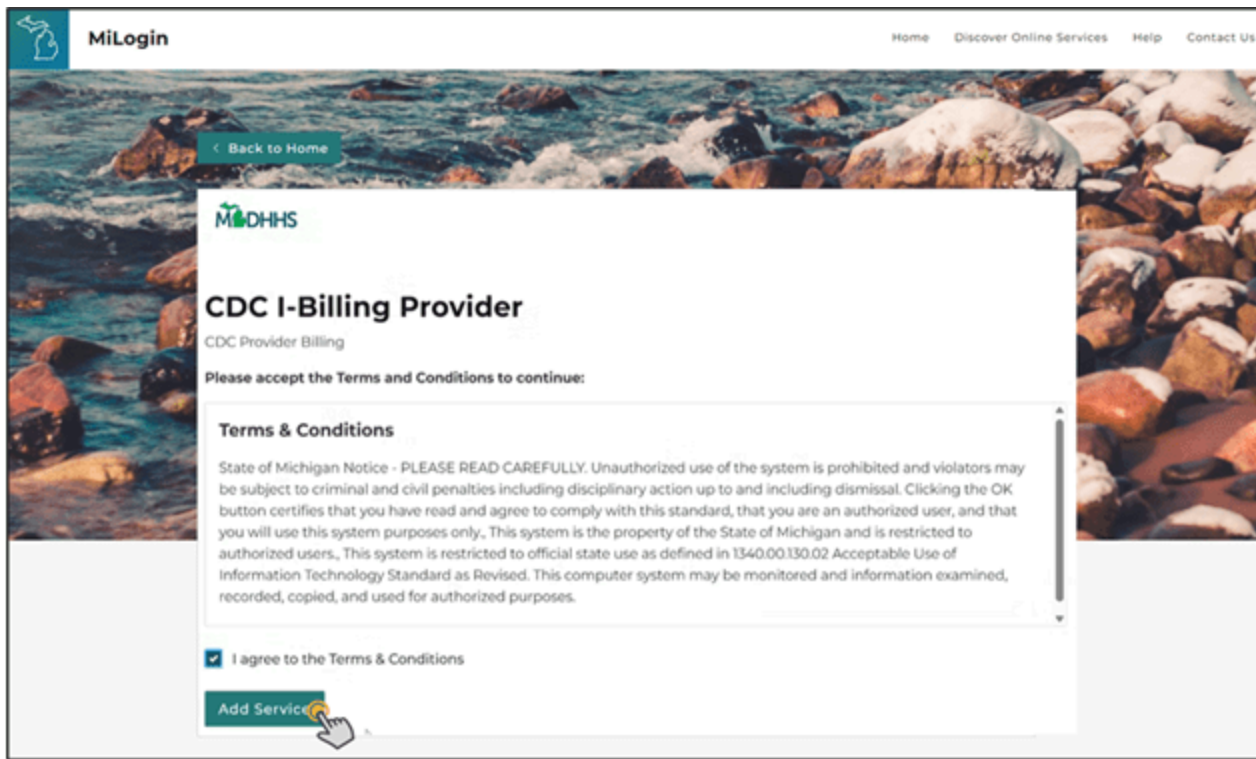

3. Now, enter *CDC I-Billing Provider* in the Search for Services field, and click, *Search*, or press enter.

The screenshot shows the MiLogin website's 'Discover Online Services' section. At the top, there's a navigation bar with links for Home, Discover Online Services, Help, Contact Us, and a user profile for John Smith. Below this, a dark blue header contains a 'Back to Home' button and the title 'Discover Online Services'. A sub-header reads: 'From renewing vehicle plates to getting food assistance, find and access the services you need.' The main area features a 'Search for Services' section with a search bar containing the text 'CDC Provider I-Billing'. To the right of the search bar is a green 'Search' button with a magnifying glass icon. A hand cursor is pointing at this button. To the left of the search bar, under 'Filter by Departments', there are four checkboxes: 'All Departments' (checked), 'Attorney General (AG)', 'Center for Educational Performance and Information (CEPI)', and 'Department of Labor and Economic'. Below the search bar, a large magnifying glass icon is centered, with the text 'Search for a specific service or discover more by filtering the department' underneath it.

4. Now, enter *CDC I-Billing Provider* in the Search for Services field, and click, *Search*, or press enter.

This screenshot shows the same MiLogin page after a search. The search bar still contains 'CDC Provider I-Billing'. Below the search bar, a dropdown menu is open, displaying search results. The first result is 'Michigan Department of Health & Human Services (MDHHS)' with a minus sign icon to its right. Below this, the result 'CDC I-Billing Provider' is shown with a right-pointing arrow icon. Underneath 'CDC I-Billing Provider', the text 'CDC Provider Billing' is visible. The 'Search' button remains highlighted with a hand cursor.

5. Next you will see the Terms & Conditions. Check the box to agree to the Terms & Conditions, and click, *Add Service*.

NOTE: If you encounter an issue of *Invalid ID and/or PIN*, check to make sure you are using your seven-digit provider ID (use leading zeros, if necessary), and your current PIN.

NOTE: Providers accessing I-Billing through the legacy web address may receive a prompt informing them their PIN has expired, and they need to create a MiLogin account. When adding and associating a provider ID for the first time through MiLogin, this expired PIN will still work to continue the process, although, it will no longer work to access I-Billing through the legacy web address.

3. Once you are logged in, you will see *Provider Notifications*. These are the messages you would previously see on the I-Billing login page. Click, *Return*, to go to your I-Billing Main Menu.
